Smappee support for your marketing activities.

Dear Smappee partner & installer,

At Smappee, we believe that we can't turn our brand and products into a success without the support of our partners and installers. After all, you are the link and prescribers to the end customers. That is why we dedicate a lot of time and effort to solid support and training for every Smappee Partner and Smappee Certified Installer.

But we want to extend that support even further, with different marketing materials that help you to communicate in a targeted way to your specific audiences. This will help you to promote and sell the Smappee products in a more efficient way.

In this catalogue you will find an overview of materials that Smappee offers to integrate into your marketing and communication materials. We offer both free and paid marketing materials and services to choose from.

Any questions or requests can be sent to the Smappee Marketing Team at **marketing@smappee.com**.

Happy discovery and hope to talk to you soon!

Kind regards,
The Smappee Marketing Team

Free Smappee marketing materials.

As a Smappee Partner or Smappee Certified Installer you are given a login and password to access the Smappee Dashboard. But did you know that this also grants you access to the Smappee Partner Portal on our website? You'll find already lot of useful materials that will help you explore and promote our products.

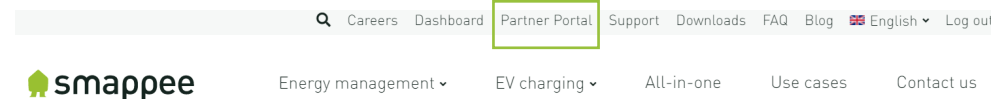

What can I find on the Smappee Partner Portal?

Here's an overview of the materials that you can find on the Smappee Partner Portal:

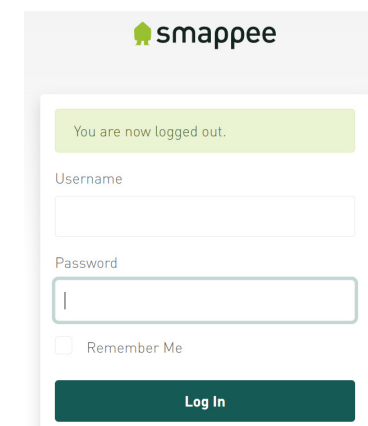

1. Installation and support materials
2. Online training program
3. Smappee configuration tool
4. Live status Smappee systems
5. Digital marketing materials

How can I access the Smappee Partner Portal?

1. Go to the smappee website smappee.com
2. Click on the link Partner Portal in the top navigation menu

3. Sign in with your Smappee Partner login (same as Smappee Dashboard login).

The image shows a login form on the Smappee website. At the top, there is a green message box that says 'You are now logged out.' Below this, there are input fields for 'Username' and 'Password'. There is a 'Remember Me' checkbox and a 'Log In' button at the bottom of the form.
