

GENERAL TERMS AND CONDITIONS OF PURCHASE

1. Applicability

1.1. All purchases of Goods and/or Services made by Smappee, either against payment or free of charge, are governed by these General Terms and Conditions of Purchase (the "GTCP"), unless explicitly agreed otherwise in writing.

1.2. Any reference to Supplier's quotation, specification, price list or other document shall solely serve the purpose of describing the Goods (and/or Services) to be supplied and no terms and conditions endorsed upon, delivered with or referred to in such document, apply to the Agreement. However, if Smappee and Supplier have any other agreement signed related to the purchase of Goods (and/or Services) from Supplier, the terms of such written agreement will prevail.

1.3. In these GTCP, "Incoterms®" shall mean the International Commercial Terms 2020 as recently published by the International Chamber of Commerce.

1.4. Smappee retains the right to amend, modify or otherwise alter the GTCP from time to time. The most recent version will always be available on the Smappee website <https://www.smappee.com/legal-documents/> and cover all pending and future Orders and any contracts entered into after the date of publication of such updated GTCP.

2. Order

2.1. The Order placed and signed by Smappee constitutes an offer by Smappee to purchase the Goods (and/or Services) in accordance with these GTCP.

2.2. Supplier shall accept the Order and a binding agreement for the supply of the Goods and/or Services, subject to these GTCP, shall exist by whichever is the earlier of i) Supplier's acceptance of the Order, in writing or orally within 48 hours; or, ii) delivery of the Goods (and/or Services). Every beginning of the execution of the Order shall be considered as an acceptance of the present GTCP. If Supplier fails to issue a confirmation of the Order within the above-mentioned timeframe, Supplier will be deemed to have accepted the Purchase Order.

Smappee may cancel any Order prior to Supplier's acceptance (or deemed acceptance) thereof.

2.3.3. The Order shall form an integral part of the Agreement. In case of inconsistency or contradiction between the Order and the GTCS, the Order will prevail over the GTCS.

2.4. The quantity, quality and description of the Goods (and/or Services) shall be as specified in the Order

supplied by Smappee to Supplier. Any materials, services, functions or responsibilities not specifically described in the Order and are reasonably necessary for the proper supply of the Goods and/or Services are deemed to be included in within the scope of the Goods (and/or Services) to be supplied for the Price.

2.5. Forecasts issued by Smappee, if any, are for the purpose of assisting Supplier's production planning. Any quantities of the Goods cited in or pursuant to these GTCP, except for exact quantities stated in the relevant Order, are preliminary and non-binding only. Smappee makes no representation or warranty as to the quantity of Goods that it will purchase, if any. Unless agreed otherwise in writing, and notwithstanding any forecasts, Smappee will not be held to any minimum purchase obligations and the Supplier's prices will never be subject to any such minimum purchase obligations.

2.6. After the (deemed) acceptance of the Order (in accordance with the provisions of Art.2.2 of these GTCP), Smappee reserves the right, subject to notification to Supplier, to modify the details of the Order (quantity, quality/specifications, delivery date of the ordered Goods) during the execution of the Order provided that Supplier agrees thereto in writing.

3. Prices

3.1. The Price of the Goods (and/or Services) shall be as stated in the Order and, unless otherwise so stated, prices shall be fixed prices, exclusive of any applicable value added tax; and inclusive of all charges for packaging, packing, shipping, carriage, insurance and delivery of the Goods as per the Incoterms applicable to the Order.

3.2. No increase in the Price may be made (whether on account of increased material, labour or transport costs, fluctuation in rates of exchange or otherwise) without the prior consent of Smappee in writing.

3.3. If Supplier fails to fulfil its obligations under the Agreement, Smappee may suspend payment to Supplier upon notice to Supplier and this until the actual due fulfilment of these obligations.

The Supplier shall, concurrently with the delivery of the Goods, upon Smappee's request and to the extent it is applicable or relevant, provide Smappee with copies of all applicable licenses as well as with all drawings, CE marks, conformity certificates, test reports, material safety data sheets, instruction manuals, software,

4.10. Supplier acknowledges that Smappee has a legitimate commercial interest in the Goods being delivered on the due date and that Smappee should have an appropriate remedy if they are not so delivered. Accordingly, if the Goods are not delivered on the due date then, without prejudice to any other remedy, Smappee shall be entitled to deduct from the Price or (if Smappee has agreed to pay any part of the Price in advance of delivery) to claim from Supplier by way of liquidated damages for delay..

Supplier shall not unreasonably refuse to take any steps necessary to comply with any request by Smappee to gain access to Supplier's facilities in view of inspecting or testing the Goods during manufacturing, processing or storage at the premises of Supplier prior to dispatch or delivery. The Supplier shall remain fully responsible for its obligations under the Agreement in respect of the Goods (and/or Services) despite such inspection or testing and any such inspection or testing shall not reduce or otherwise affect Supplier's obligations under this Agreement.

If following such inspection or testing, Smappee reasonably considers that the Goods (and/or Services) do not comply or are unlikely to comply with Supplier's obligations defined in these GTCP, Smappee shall inform Supplier and Supplier shall immediately take such remedial action as is necessary to ensure compliance.

If Supplier does not collect the Goods within said period, Smappee may have the Goods delivered to Supplier, at Supplier's costs.
